Kersten's Resort

"Come as guests-Leave as friends!"

We are a cozy resort in the heart of the northwoods where privacy and relaxation awaits you. A **four season resort** secluded on beautiful Lake of the Falls, headwaters to the Turtle Flambeau Flowage, we are linked by the Turtle River, Moose Creek, Dollar Creek and the Three Black Lakes. With over 200 lakes in a twenty mile radius, and nearly 300 miles of trout streams, your fishing possibilities are endless. Walleye, crappie, bass, pan fish and trout will lure you to the water's edge. Most sought after, however, is the ever eluding, record breaking Musky!

Don't miss the walleye run in early May at Lake of the Falls County Park.
